Kara:

I noticed that the EPA's letter of support, on the SRRTTF website, is posted as two separate files (one for each page). I'm not sure how it ended up that way, but that's not very convenient.

<http://srtrtf.org/?p=756>

I took the liberty of combining the two pages into a single PDF. I also ran OCR and added tags and metadata, so it is ready to post, to replace two files currently on the site. See attached.

Thanks,

Brian Nickel, E.I.T.
